REGENTS MEETING

BEING HELD IN ST. JOSEPH TODAY.

MATTERS OF BUSINESS

Pertaining to the School and the Completion of the New Building Taken Up.

President H. K. Taylor and Registrar W. A. Rickenbrode of the Northwest Normal left for St. Joseph Monday morning to attend the meeting of the board of regents being held there today at the Robidoux hotel.

Many matters are being considered by the board, one being in regard to the completion of the new building.

The meeting was called by Anderson Craig, president of the board. This is the last meeting Mr. Craig and Judge W. D. Rusk will attend, as their successors have been appointed, but not yet confirmed by the state senate.

The members of the board present at the meeting today were Anderson Craig, Judge Rusk, O. P. Williams of Plattsburg, W. F. Rankin of Tarkio, W. G. Hine of Savannah, and State Superintendent Evans. This meeting is the first one that Superintendent Evans has attended. J. B. O'Brien of St. Joseph, who was appointed to succeed Judge Rusk, is also in attendance at the meeting.

WAS IN U. S. NAVY FOR FOUR YEARS

Alex Johnson of Clyde and his son, Charles Johnson, spent Saturday in Maryville. Charles Johnson was honorably mustered out of the U. S. navy service at Brooklyn, N. Y., the first of February as a gunner's mate on the battleship Nebraska, after full four years' service, and is now favoring the home folks with a visit. He made the round the world cruise with Admiral Evans and Admiral Sperry, and has with him coins and relics from every part of the world made by the fleet. His friends are greatly enjoying a visit with him, and his personal experiences and observations on that big trip around the world are full of thrilling interest, though he tells of them in the quiet unassuming manner of the few people who have grown accustomed to things and events that have so much to do with the wide, wide world.

Will Go to New Home.

Mr. and Mrs. Henry Cook of East Fifth street will move the first of March to the Jones country place, one mile and a quarter south of Maryville, which they have purchased. Their East Fifth street property will be occupied by J. H. VanHorn and family, and the property now occupied by the VanHorn family, on North Walnut, which is owned by J. H. Saunders, has been leased by Mrs. Clarence Duncan of Wilcox.

Has Leased Garrett Place.

Mr. and Mrs. R. C. Seals have leased the new cottage of Frank L. Garrett, at 101 North Vine street, lately vacated by Z. T. Howell and family, and will occupy it March 1st.

Went Home for Visit.

Mr. and Mrs. O. M. Anderson and little daughter, Miriam Thelma, of Burlington Junction, were in Maryville Saturday. They accompanied Mrs. Anderson's father, John Baumli, to his home in Arkoe for an over-Sunday visit. With them was Miss Frieda Medsker of Lucerne, Switzerland. Mr. and Mrs. Anderson have only recently located in Burlington Junction.

NORMALS DEFEATED

PLATT'S TEAM OF ST. JOSEPH VICTORS BY SCORE OF 41 TO 26.

GAME WAS A GOOD ONE

Was Played in St. Joseph on Saturday—Perrin, Criss and McLintock the Stars.

(St. Joseph Gazette.) Platt's basket ball team of St. Joseph Saturday afternoon defeated the Maryville Normals in the auditorium by a score of 41 to 26. The game was close up to the last seven minutes of play, when the locals took a decided brace and came nearly doubling the upstate team's score.

The locals were decidedly off, playing in streaks. They started the game fairly strong, but for the last ten minutes of the first half slowed up and the session ended—Platt's 14, Maryville 13.

The collegians came back hard for a few minutes, but after taking a ten-point lead allowed the Normals to tie them up. A final spurt let the locals out with a fairly decisive score. This lack of consistency in yesterday's game was largely due to the fact that the Platts had already played two hard games this week, and were therefore lacking in "pep."

Kewley starred again for Platt's, dropping in eight field goals. Lomax came close to him with six. Both of them made some sensational shots. May, who went in for the last ten minutes of play, showed good form and seemed to put new life into the team.

For Maryville, Perrin, Criss and McLintock were the best. Perrin's foul goal shooting was classy, he dropping in 12 out of 13 tries. Each team was forced to use seven men, slight injuries or exhaustion being responsible.

Before the big game Platt's second team lost two games, one to the Young heavyweights, and the other to the Humboldts. The score of the game:

| Platt's | G | F | T | P | G |

A NIGHT IN BOHEMIA

A HOME TALENT SHOW TUESDAY EVENING AT EMPIRE.

FOR THE CHARITY BOARD

Promises to Be One of the Best Entertainments Yet Given at the Empire.

Preparations are nearly complete for the "Night in Bohemia," which is being prepared by Glenn Goff and thirty of Maryville's young men, and which will be presented Tuesday night at the Empire theater. For two weeks rehearsals have been in progress, and the result promises to be a rousing musical success. Mr. Goff has had a wide experience in giving to the public popular music, and the program shows his ability in selecting what the public likes, as each number has the melody, vim and snap which marks it a success.

These songs have been given to singers with voices adapted to their style.

Mr. Crawford has a new song, "Any Old Port in a Storm," by the author of "Asleep in the Deep," etc. This is a popular song with much merit. Mr. J. H. Becker sings "Twilight," a song that's lots better than average popular music.

Mr. W. H. Crawford acts as host in the play, and entertains his young men friends on his lawn. His servants, Lester Bennett, Orin Airy, Frank Schumacher and Ed Gray (in black face), all add new coon songs and comedy to the entertainment. Twelve good numbers, solos, quartets and choruses, complete the first part.

The second part consists of musical specialties and a twenty-minute comedy sketch entitled "Who Are You?" and will be put on by Bess Scott, Orin Airy and Glen Goff.

The boys have put much effort in preparing this show and deserve a large audience.

The profits go to the charity board, Mrs. Dr. Nash, Mrs. Shinabarger and Mrs. Perrin, who are doing much good work in caring for our city's poor.

The chorus will consist of the following:

J. B. Ellis, L. L. Perrin, Frank Reavis, Orin Airy, Lester Bennett, Cecil Sheldon, Fred Lewis, E. W. Friend, J. N. Pearce, L. W. Ray, F. R. Marcell, Prof. P. O. Landon, H. J. Becker, R. S. Fraser, Guy Neal, Frank Schumacher, H. J. Muta, Mark Hannah, Orlo Quinn, Emmett Scott, E. W. Yeaman, Ed Goodspeed, H. H. Colbert, J. B. Wyant, Albert Kuchs and W. H. Crawford.

ON APRIL 28 AND 29

THE TRACK MEET AND DECLAMATION CONTEST AT THAT TIME.

TO DEDICATE NORMAL

At Same Time—To Be One of the Biggest Events in the History of the School.

President H. K. Taylor and Prof. Moore of the Northwest Normal attended the meeting of the officers of the Northwest Missouri High School association held in St. Joseph Saturday. It was decided to hold the annual declamation and essay contest and track meet at Maryville on April 28 and 29, respectively. These events will be under the auspices of the Normal.

Dr. Taylor made a short talk, in which he said that many thousand people were expected to be in Maryville on the days selected for the meet. The dedication of the new building of the Normal school and the convention of the Northwest Teachers' association, which will be held on the same dates, Dr. Taylor said, insures the attendance of a large crowd.

The declamation and essay contests will be held on the night of April 28. A change was made this year from the system used in 1910, that of having preliminaries from which five boys and a similar number of girls will be selected to compete for the prizes. Other minor changes in the rules of the association were also made.

The Central high school orchestra of St. Joseph, which furnished music at the contests last year, has been invited by Dr. Taylor to do likewise this year.

MEETINGS TO CONTINUE THRU-OUT THIS WEEK

Success in Poultry.

She has a fine lot of Rhode Island Reds with which she took second prize at the Northwestern poultry show. She thinks they are unexcelled as a utility breed, being good winter layers and big boned. Any one desiring eggs for setting should consult her advertisement in another column of this paper.

Mr. and Mrs. Ferdinand M. Townsend returned Friday from a two weeks' visit with Mrs. Townsend's parents, Mr. and Mrs. Henry Bohm of Denver, Col.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else.
It was this fact that first correctly led Dr. Shoop in the creation of that now very popular stomach remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that sureness and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and salivary complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

"Knocked Daylights Out of Rheumatism"

New Rheumatism Remedy Is Antidote For Uric Acid.

"By thunder, I got a whole case—a dozen bottles of the 'Fuss' Rheumatism Cure, determined to get cured of my 3-year case of bull-dog

Inflammatory rheumatism. I didn't need the dozen, you bet you—three bottles knocked the daylight right out of it and cured me completely. The other nine bottles I gave to rheumatic friends, and they are hopping around pretty lively now, same as I am. 'Fuss' is a wonder. This is but one of hundreds of similar reports on this amazing remedy, the only known antidote to uric acid. Furthermore, it is as safe as food, containing no chloral, opium, morphine, cocaine, alcohol, ether, chloroform or other stimulant or narcotic; not a drop.

'Fuss' gives immediate relief, and destroys uric acid in the blood which causes rheumatism, gout, lumbago and kidney trouble.

Don't hesitate but get 'Fuss' and stop the agony right off and get cured.

'Fuss' Rheumatism Cure sold at \$1.00 a bottle by all leading druggists or sent prepaid on receipt of \$1.00 in cash or by money order.

FREE IF IT FAILS.

Your Money Back if You Are Not Satisfied With the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness nor create any inconvenience whatever. They may be eaten at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. Twelve tablets, 12 cents; 25 tablets, 25 cents. Sold in Maryville only at our store, the Rexall store. The Orear-Henry Drug Co.

Tonight at the Crystal.

"Uncle Rube" will meet the patrons at the Crystal tonight. This will be "Uncle Rube's" first appearance in Maryville this season, although he has been here before. "Uncle Rube" says that if he likes Maryville he will probably buy it. He is a "full" cousin to "Uncle Josh," but they're so much alike you'd think they were "full" brothers. "Uncle Rube" is said to be funnier than "Uncle Josh," which is certainly going some. "Uncle Rube" and "Auntie" were seen in town at noon today, looking for a place to stay. They expect to be in town until after the show tomorrow, and no doubt will appear on the stage again tomorrow night. He may be induced to stay until the end of the week, and do some "actin'" for us Saturday. "Uncle Rube" will be glad to see you at the Crystal tonight.

Mrs. G. H. Leech went to Pickering Saturday to visit a few days with Dr. Leech's mother, Mrs. C. B. Leech.

HAIR INSURANCE

INSURANCE AGAINST PREMATURELY GRAY HAIR.

In these up-to-date days, it is possible to purchase insurance on anything. Insurance is, practically, taking a chance, with the chances figured largely in favor of those issuing the insurance--not those who buy it. Hair insurance is different, in that the one buying the insurance obtains full value at the outset, with correspondingly increased values for the greater amount bought; while the sellers of this insurance are likely to lose unless the purchasers obtain full value at once.

This applies to Wyeth's Sage and Sulphur Hair Remedy, for if it does not do exactly what is claimed for it, the sales would naturally drop off; whereas if it gives satisfaction the increased sales give it the only chance to be successful. However, Wyeth's Sage and Sulphur Hair Remedy does "make good," as evidenced by its daily increasing sales. Druggists say that this preparation gives the best satisfaction of any hair remedy ever sold. Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It removes dandruff, strengthens the hair, gives new life to dull or parched hair, and gradually restores gray hair to natural color.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.
